

DIABETES

Children's Books

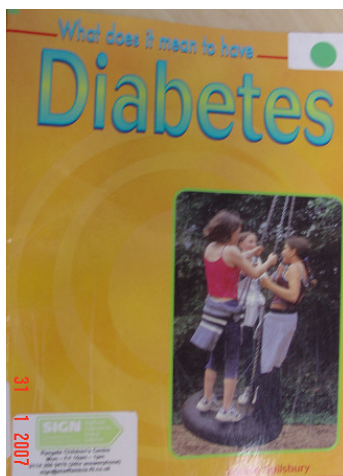

The Dinosaur Tamer

This book aims to ease your child's frustrations about having diabetes. Each tale warmly evaporates the fear of insulin shots, blood tests and 'being different'.

Sugar Was My Best Food

Adair has diabetes; this book is about his experiences. He conveys the effects the illness has had on his family, his struggles with peers, and his feelings of being different.

What does it mean to have Diabetes

This book explores diabetes and its causes. How do young people live with their diabetes - at school, at home and their leisure time?
