

EPILEPSY

Children's Books

'Epilepsy - The Detective's Story'

A young girl's exploration of what it means to have epilepsy.

'That's what friends are for'

A story about a boy called Jack with Epilepsy, and how he becomes friends with a new girl in his class.

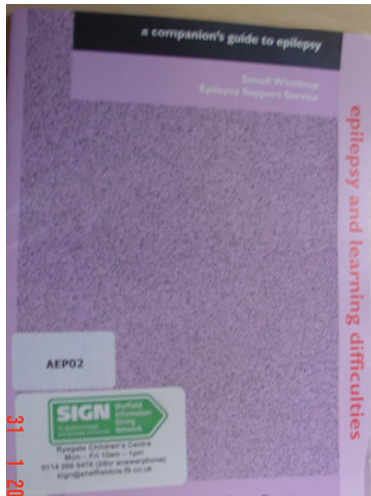

'Epilepsy THE ULTIMATE TEEN GUIDE'

This book provides positive and factual medical information and advice for teens with epilepsy to live a normal life by understanding the symptoms.

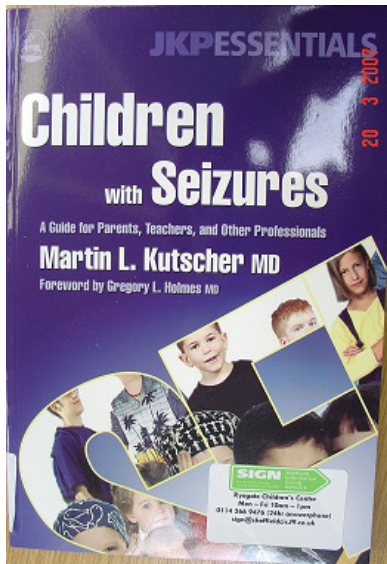

EPILEPSY

Adult Books

'Epilepsy and Learning Difficulties'

This book is designed as a guide for companions of those with epilepsy. It directs the reader where to go for advice and help in providing the best levels of support for the people they care for, either as family, friends or associates.

'Children with Seizures A guide for Parents, Teachers, and other Professionals'

In this concise, accessible handbook, the author provides all the information you need to approach seizures. He explores the types and causes of seizures, and offers practical advice on what to do during an attack.

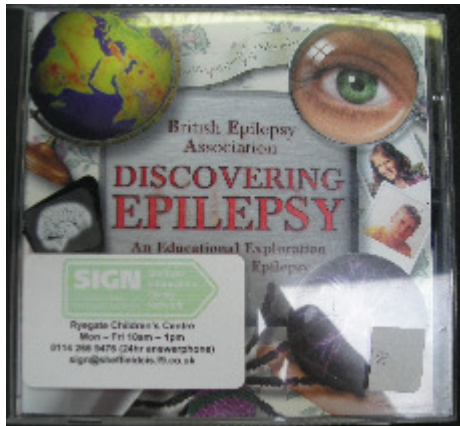

'Your Child's Epilepsy - A parent's guide'

This practical handbook answers real questions asked by parents of children with epilepsy. Their experiences and the authors' expert answers give you the knowledge to help your child lead a happy, healthy and normal life.

EPILEPSY

CD ROM

A CD Rom game for children and young people with Epilepsy. Helps children understand epilepsy and answer many questions.
