## Adult's Books

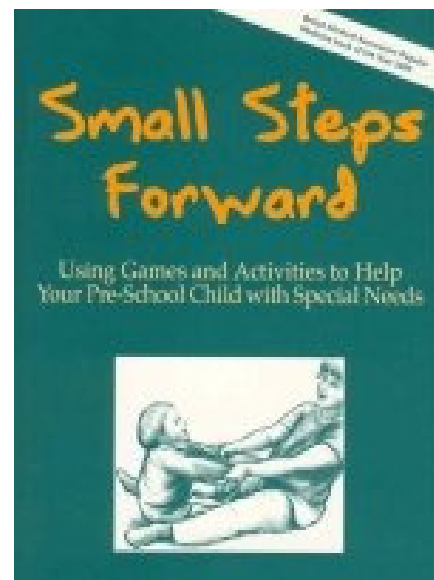

### **Stepping out**

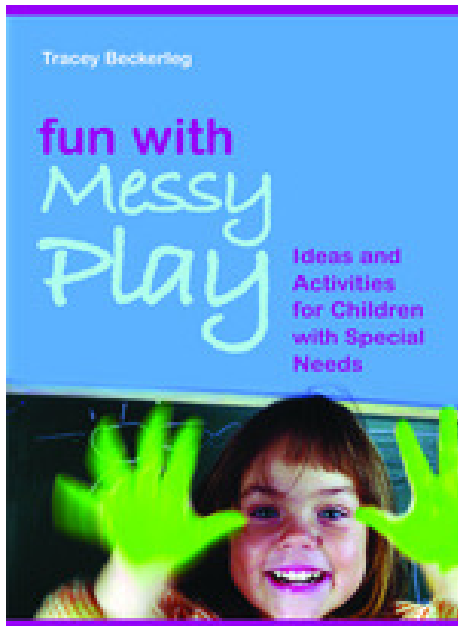

This book provides parents and carers with practical advice, and fun games and activities to improve a child's skills in the six areas of development; cognitive; physical; sensory; language; social and emotional.

### **Small Steps Forward**

Provides parents and carers with a host of ideas to encourage their child's development. Uses toys and materials for the activities which most children already have.

## PLAY

### **Fun with Messy Play**

An exciting activity book that stimulates the sensory perception of children with special needs through the imaginative use of everyday messy material.

### **Can't Play Won't Play**

The book is packed with practical information, tips and hints to enable children with Developmental Coordination Disorders (DCD) to access and enjoy activities that other children take for granted.
